Dr. Tony Evans, one of the most respected church leaders in the country, is the founder and senior pastor of Oak Cliff Bible Fellowship in Dallas, a thriving congregation of 8000. In this timely, unique exploration of spiritual warfare, Dr. Evans unveils a simple yet radical truth: every struggle and conflict faced in the physical realm has its root in the spiritual realm.

With passion and clarity, Dr. Evans demystifies spiritual warfare so that readers can tackle challenges and obstacles with spiritual power—God's authority—as they:

- understand how the battle is fought by Satan
- actively use the armor of God
- find strength in prayer and sufficiency in Christ
- win over chemical, sexual, emotional, relational, and other strongholds

Dr. Evans is compelling, down to earth, and excited for believers to experience their victory in Christ and embrace the life, hope, and purpose God has for them.

What can this middle aged black dude (I say that with total respect) say to this middle aged white dude?
Radio surfing while driving from work one Sunday I came upon a charismatic speaker. He spoke directly, honestly, without reservation. Directly from his heart to mine. As if he knew me.

Sunday I recite the words of the bible in pew 42, and I'm cleaned and forgiven.
Monday I'm all worked up about something or other and angry. I swear, I lie, I cut corners.
But never you mind, cause Sunday I'm going to the soulwash at church. All shall be forgiven. While my spirit unknowingly rots deep within.
Little did I know there was a wall between Sunday and Monday. A wall built by demons. Dr Evans enlightenment spoke directly to my existence and spirituality. As if he knew me.

So I bought this book not knowing if the message, if the charisma shall be as vivid and palpable as it was through his spoken words. Yes indeed it is! A crisp solid guidance through the spiritual war we fight daily. The truths of Gods words. The truths of our misbehavior in direct conflict with Gods laws. Our failure to turn to God, instead believing in our own society based norms.

Unknown to ourselves Satan quietly covertly separates our soul from the Words of Christ. Until we are as lost as a lamb could be. Surrounded by a masquerade of deception and evil.

Thank you Dr. Evans for your effort. It was by divine intervention that I happened upon your radio sermon. You sir are truly a lamp for my feet and a light on my path. Now I pray that I have true vision, and the strength to walk the path of righteousness.
